I Am Looking Forward To…….

By Steven J. Hogan

~ A Saturday Morning Post #234 ~

As Christians, we must look ahead and look forward to what God will do for us, what we are to do for Him, and what He will be doing in the future. It is this faith and hope in God and obedience to Him that energizes and directs our lives – otherwise, we will get stuck and stagnate, unable to spiritually move ahead in the way He desires. So what does God have in store for your life on this earth? What has He planned out for the world, the church, the Jews, and the unbelievers in the last years of this age and in the ages to come? In the following two sections, I will share with you what I and all Christians should be looking forward to.

As Christians we should never say we don't know what is going to happen. We don't know all the details, but we know in general what will be taking place. Indeed, the purposes, plans, and prophecies of God will most certainly be carried out. This should encourage you and fill you with hope, for it means a future filled with blessings, and the satisfaction of knowing that God will be greatly glorified. *"May the God of hope fill you with all joy and peace in believing, so that you will abound in hope by the power of the Holy Spirit."* Romans 15:13

Be looking ahead, and be looking forward to 2022, to all the years of your life, and to the ages to come. And be like Paul who said, *"I press on so that I may lay hold of that for which also I was laid hold of by Christ Jesus. Brethren, I do not regard myself as having laid hold of it yet; but one thing I do: forgetting what lies behind and reaching forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus."* Philippians 3:12-14

P.S. As we start this new year, here is an article that should motivate you to use the time God has given you – *"The Time of My Life."* Here is

another post that tells us that God has predicted the future, and told us what needs to happen before Christ's return and the rapture of the church – *"Bible Prophecy Enables Us To See the Future."*
