I Can See the Future

By Steven J. Hogan

~ A Special Post ~

I am taking a break from writing a post this week, but plan to start again next week with one that is entitled, “God Is In Charge of Everything.” In the meantime, here are a few thoughts I want to pass on to you:

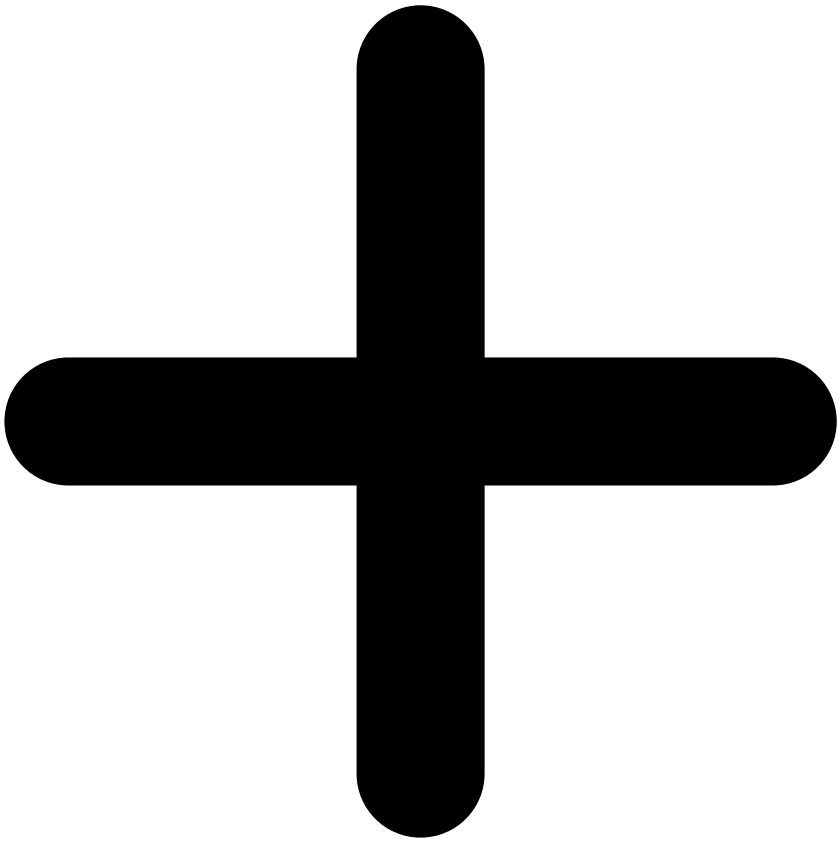

1. I will continue to write weekly posts on prophecy related subjects, but am planning to focus more on specific passages and chapters, such as Daniel 7, Daniel 9:24-27, Daniel 12, Mark 13, Luke 17:22-37, Luke 21:7-36, Acts 3:17-21, Romans 11, Romans 15:4-13, 1 Thessalonians 4:13-18, 1 Thessalonians 5:1-11, 2 Thessalonians 1:3-10, 2 Thessalonians 2:1-12, Revelation 2-3, Revelation 11, Revelation 13, Revelation 17, Revelation 18.

2. Zion’s Hope has one of the best prophecy websites in the world, with many good articles to read, and instructive videos to watch. I really encourage you to check it out – www.ZionsHope.org

3. Many people put off learning about the end-times and the coming of Christ, thinking that not much is happening now, and so why study the subject. But don’t procrastinate, and think you will learn later, for now is the time, in the calm before the storm, to learn what God wants you to know about the future He has for us and for the entire world.

4. You can download the English posts. I would suggest that you put them in a file so you can easily retrieve them, and then print them out, for yourself and others. You never know when sites like this will be shut down by the authorities.

5. Remember to tell others about Christ’s first coming, His coming as Savior, and about Christ’s second coming, His coming as Judge and King. Here is God’s instruction to you, along with a promise from Him: “Those who have insight among the people will give understanding to the many… Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever.” Daniel 11:33, 12:3
