My Top Thirty Charts Help You See The Future

By Steven J. Hogan

~ A Saturday Morning Post #252 ~

We are living in the end-times, and it won't be long before Christ returns to rapture the church! It's amazing how much information is in God's word about the end-times, yet most Christians are confused, in error, and even ignorant about what's going to happen. The purpose of this blog site is to help you understand and be encouraged by the future God has for you and for all His people.

I've tried to do this through blog posts and prophecy charts. In the charts, I've drawn out and displayed key prophetic truths on a Biblical timeline. I want to make it easy for you to see and understand the chronology of key prophetic events, and most importantly, Christ's coming, the rapture, and the ages to come. You need perspective, you need to see your life in view of the end-times, or otherwise, you can get

discouraged and stuck in your own little world. God wants to encourage you, to keep you looking ahead, to give you hope, and these charts are a way to do that. In these end-times, you need to be educated and excited about the future God has for you, the church, and the Jewish people.

It's imperative that you see the big picture, where we've been, where we're at now (the man in the charts), and where we're going. And everything is going according to God's plan, His promises and prophecies (Isaiah 46:8-11). I strongly encourage you to study these charts, for I'm convinced they will help you understand the big picture, and how you are an integral part of what God is presently doing in this world.

There are 280 charts on this blog site, and each one is instructive and forward looking. But that 280 number can be overwhelming – that's why I have listed out 30 key charts, and I suggest that you examine each of them. I'm convinced they will help build and cement the truth of God's prophetic word in your heart and mind. And remember to download them, print them, and pass them on to friends.

* ***"The Kingdom of God" (#4)*** **–** God's word tells us that we are living in the second of four ages, and it won't be long before the start of the third age, when Christ reigns over the whole world.
* ***"A Biblical Prophetic Overview" (#6)*** **–** When we think about prophecy, it's important to go back to the past, and see how that leads up to the present and future plans God has for us.

* ***“The Regathering of the Jews to Israel” (#148)*** **–** Over the past 140+ years, God has been bringing the Jewish people back to their land, the clearest, strongest proof that we are in the end-times.

* ***“The Past, Present, and Future – Acts 3” (#177)*** **–** Just a few verses in Acts 3 give you the big picture of God’s past, present, and future working with the church.
* ***“The Remarkable Results of the Rapture of the Church” (#198)*** **–** You will truly be encouraged when you see all the immediate, life-changing results of being raptured.
* ***“Our Father Who is in Heaven…” (#215)*** **–** Visualize what the Lord’s prayer says about prophecy, for it helps you understand what you are praying, and it enables you to see the future.
* ***“What Needs to Take Place?” (#226)*** **–** This one chart spells out 15 different things that must happen before Christ returns to rapture the church.
* ***“World Peace is Coming” (#249)*** **–** Find out when world peace is

coming, and it's sure not happening in this evil age. Only Christ can bring world peace, and He will, in the next age, the kingdom age.
* ***"Jesus Christ, the Lord, is Coming" (#258)*** **–** Jesus Christ is coming very soon, and then you will see Him as a most glorious Savior, Judge, Redeemer, and King. Hallelujah!

Day by day, week by week, month by month, and year by year, God is leading, moving, working, and His goal is to bring about the return of His Son to earth. He has told us this sequence of prophesied events that need to come about, specific plans that will be precisely and perfectly carried out. *"Take heed; behold, I have told you everything in advance"* (Mark 13:23). God told us ahead of time everything we need to know about these end-times, these last years leading up to the coming of Christ. Might these charts help you to know what's coming, so that you will be excited and encouraged, *"and all the more, as you see the day drawing near."* Hebrews 10:25
