The Mark of the Beast

By Steven J. Hogan

~ A Saturday Morning Post #80 ~

In this day and age, the mark of the beast is a popular subject. It's talked about in movies and YouTube videos, and written about in prophecy publications. Sad to say, there's a lot of confusion and error on this topic, but the Bible tells us the truth. The Antichrist will soon rule over the entire earth, his goal being a one-world order, a one-world religion, a one-world government, a one-world military, a one-world economy, and this *"mark"* will be one of the primary means by which he will control the world. Revelation 13:16-17 tells us, *"He* (the Antichrist) *causes all, the small and the great, the rich and the poor, and the free and the slaves, to be given a mark on their right hand or on their forehead, so that no one will be able to buy or sell, except the one who has the mark, either the name of the beast or the number of his name."* Here are a number of things you need to know about the mark of the beast:

1. Having the mark of the beast is the only way a person will be able to openly and publicly buy, sell and do business when the Antichrist is ruling this earth. Revelation 13:16-17

2. This mark could be a stamp, a seal, an image, a microchip or a transponder. It will be specifically related to the name or number (666) of the beast, the Antichrist. Revelation 13:18
3. People will be receiving this mark of the beast after the midpoint of Daniel's 70th week, when this beast, the Antichrist, and a second beast, are in power. Revelation 13:5, 11
4. A Christian cannot and will not take the mark of the beast, for he or she is a child of God, and the Holy Spirit will not let any believer take this mark of the devil. Ephesians 1:13-14
5. Only unbelievers will take the mark of this beast. Revelation 14:9-11
6. Not all unbelievers will receive the mark of the beast, for some of them will be saved during what is called the great tribulation. There will also be a remnant of Jews who will be saved at the end of Daniel's 70th week. Matthew 24:9-27, Revelation 12:13-17
7. People taking the mark of the beast won't be making some naïve, unintended or careless decision. Though deceived, these unbelievers will know what they are doing, and will be agreeing with the Antichrist, his beliefs, his rule, and his purpose for this mark. 2 Thessalonians 2:10-11
8. Taking the mark of the beast is not just a financial decision, but is also a spiritual one. The person receiving the mark is pledging allegiance to the Antichrist, and is putting his faith in this evil, despicable and devilish man. *"They worshiped the beast."* Revelation 13:4
9. Unbelievers taking the mark of the beast cannot reverse their decision. Once marked, their future is set, for they will forever be punished in the lake of fire. *"If anyone worships the beast and his image, and receives a mark on his forehead or on his hand, he also will drink of the wrath of God... and he will be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb."* Revelation 14:9-11

We now live in the end-times, and when you look at the state of the world, you realize that we are rapidly moving towards that time when this mark of the beast will be a reality. For 100 years we have heard that leaders and countries are pushing for a one-world order and this

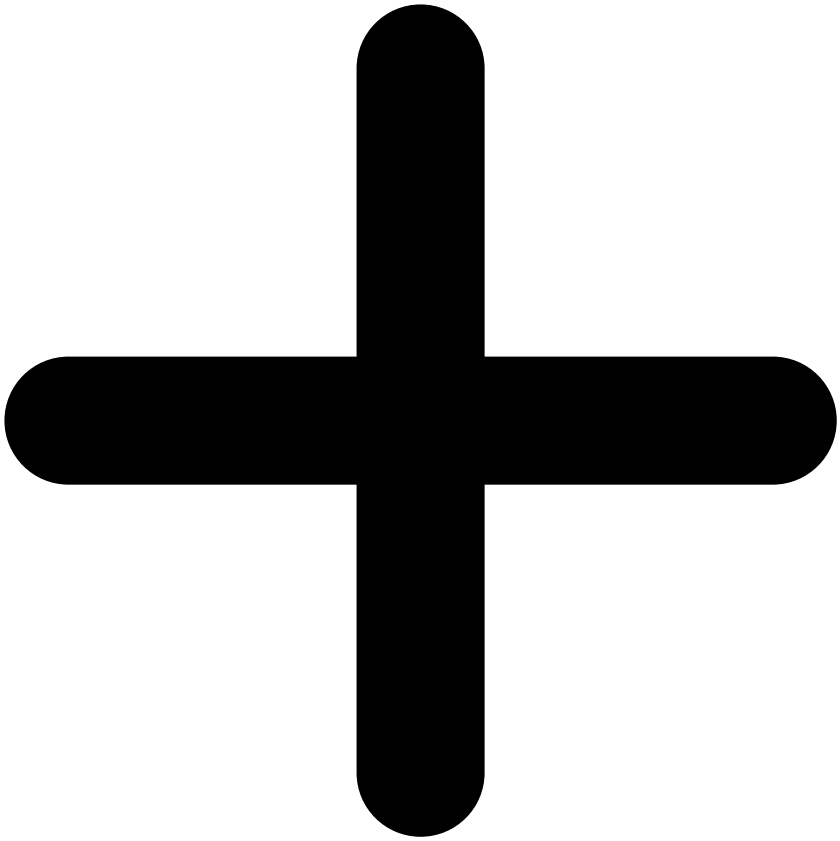

global economy. You see it with the United Nations, the World Bank, the World Trade Organization, and the International Money Fund. This desire for globalism, that the desires of the world supersede the desires of the nations, is only going to increase in the years ahead. There will be more open borders, less autonomy, and more interdependence with regards to the countries of the world. And on a personal level, people want their bank accounts to be more secure, and their financial transactions to be simpler and safer.

What in the world is going to happen? A sophisticated system will soon be in place for the Antichrist and his partner to manage this global economy, utilizing the mark of the beast. Governing the whole world, having a universal monetary system, and overseeing billions of financial transactions, will require an ingenious and complex technology. We now live in an electronic information age, with smart phones, supercomputers, massive servers, microchips, the internet, and the ability to store, process and transfer mega amounts of data. We are beginning to see how this mark of the beast will be a key component in tomorrow's world. In fact, it is routine for pets to get implanted microchips, and now it's beginning to happen with people. In Sweden, many individuals receive surgically inserted microchips for their business dealings and other activities (Washington Post – 4/4/2017). In the near future we have a cashless and checkless society, our credit and debit cards will be gone, and the technology to implement the mark of the beast will be fully developed and operational.

Now is the time to tell unbelievers the truth about the mark of the beast, and more importantly, about salvation and forgiveness in Jesus Christ. As for you and your family, know that the Lord will take care of you. Be seeking His kingdom, and be praying, *"Your kingdom come. Your will be done, on earth as it is in heaven. Give us this day our daily bread"* (Matthew 6:10-11). *"This calls for perseverance on the part of the saints who obey God's commandments and remain faithful to Him."* Revelation 14:12

P.S. There is no doubt that living during the time when the Antichrist is ruling the world will be extremely difficult. I encourage you to read this article, The Father's Love For His Children, for this is what you will need to know and remember more than anything else.
